Dear Mary,

Enclosed please find database indexing forms submitted in accordance with the "Guidelines for the Indexing of Databases" (May, 1997). As we spoke over the phone, the forms were accumulated using a web page on our network here at the Institute, and thus are presented in a slightly different format than the original forms prepared by DIT and the State Library. The content however, is complete.

Please feel free to call if you have any problems or questions. Thank-you for all of your hard work on making this project a success.

Best Regards,

Gary Anderson
